

Title: FSSAI - FosTac Training Seminar

Date: 26-10-2023

The Seminar Committee organized its third session on "FSSAI - FosTac Training" on October 26th, 2023, at E-Square The Fern. The seminar focused on food safety, from procurement to guest service, and aimed to equip team members with modern techniques.

Mr. Imran Abid Sayyed, an Associate Professor with substantial industry and academic experience, was the esteemed speaker. His qualifications include B.Sc.H.T.S, E-MBA, and MPM, and he has presented at numerous conferences.

The seminar schedule covered essential topics such as material handling, pre-production processing, and personal hygiene, among others.

This event provided valuable learning for professionals, including General Managers, Directors of F&B, and Executive Chefs, enhancing their skills to uphold food safety standards.

We thank Mr. Imran Abid Sayyed for his guidance and E-Square The Fern for their hospitality, making this seminar a successful learning experience.
